

**FINE ARTS CENTER OF KERSHAW COUNTY
SCHOOL ARTS PROGRAM**

TEACHER RESPONSIBILITIES AND CLASS INFORMATION

As a teacher committed to exploring ways of involving my students in the arts process, I have agreed to have an artist-in-residence in my classroom. I understand that my responsibilities during this residency will include:

- Providing the in-school coordinator with information regarding my class prior to, during and following the residency.
- Remaining in the classroom while the artist is present, and participating in class activities conducted by the artist.
- Evaluating the success of the classroom activities during and after the residency.
- Using any support materials provided for the residency.
- Completing and returning to my in-school coordinator the evaluation reports from myself and my students as required.

I would like the artist to know the following about my class and our activities to date:

I understand that the artist's residency in my school represents a commitment from the school administration and I agree to make full use of resources made available through the program.
